

How to Redeem eGift Cards

- 1** *Scan items at the kiosk*; Align product barcode under the scanner OR select an item from the menu; Verify all items on screen;
- 2** From the cart screen, scan the *Gift Card QR Code*;
- 3** If the *Gift Card* is *Active* and has a sufficient balance, the device will automatically complete the transaction;
- 4** Choose *Receipt Option*, if applicable.
