

Disable or Enable Products

Note: You must remove the product that you want to disable from inventory to avoid getting the message below.

To Disable or Enable a Product

1. Log into <http://readytouchpos.com/public/login>.
2. Click on the **Product** tab.
3. Select **Global Product** from the drop-down menu.
4. Find the product you want to disable or enable by using the **Search** field in the top, right corner.
5. Change the **Is Disabled** field to **Yes** or **No** accordingly.
