

Checkout Using Credit, Debit, or Mobile Wallet

Scan, Tap, and Go!

Paying via credit, debit, or mobile wallet is the most straightforward way to check out at a 365 kiosk. If you want to take advantage of member benefits, loyalty points, and rewards, consider creating a virtual wallet on the kiosk or through the 365Pay app.

1

Select Your Items

- Select the items you wish to purchase from the market and bring them to the kiosk
- Scan each item using the kiosk barcode scanner. Items with no barcode can be found using the **Search** button
- Confirm that each item you wish to purchase is listed on the kiosk screen

2

Change or Cancel Order

Remove single items by touching the 'X' on the kiosk screen, or tap Cancel Order

3

Pay for Items

If not using a Market Account, you can still pay using a **credit** or **debit card**, or a **mobile wallet**.

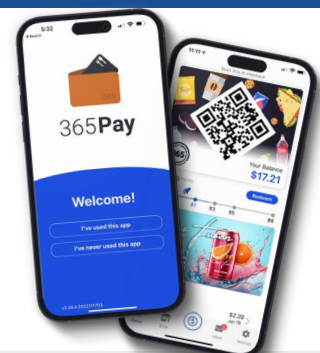

- Tap, insert, or swipe your card using the card reader at the kiosk
- Or use your mobile wallet (Apple Pay, Google Pay, or Samsung Pay) by tapping your device to the card reader
