

Maximize Your Market Experience

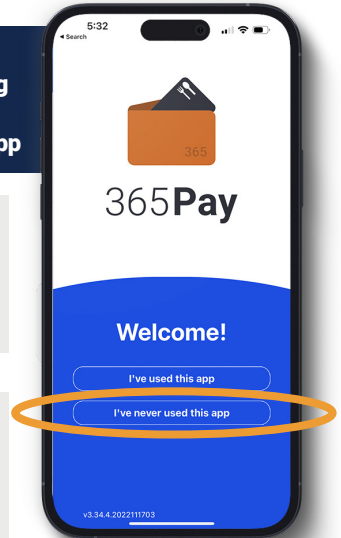

Create a Global Market Account with 365Pay

The 365Pay app is the easiest way to create and manage your market account and enjoy available member benefits.

Note: If you already created an account using the Kiosk, you will still need to register as a NEW user on the app by selecting 'I've never used this app'.

You can then link your existing kiosk account to the 365pay app

1 Download

Download the **365Pay app** from the App Store (iOS) or Google Play Store (Android)

2 Register

If you already created an account using the Kiosk, you will **STILL NEED** to create an account on the app. Then you can link your existing kiosk account within the app.

3 Add Value

With credit/debit card in the app or scan app QR code and add cash at kiosk.

4 Manage Account

Manage payment methods, view balance and purchase history, personal info, etc.

5 Shop & Pay

Scan app code at kiosk to complete purchases using your balance
