

365 Catering

# Reach a captive audience ready to order from local favorites

## Increase Your Visibility

It may be challenging to distinguish yourself in the lunchtime hustle, but joining 365 Catering will ensure you capture the spotlight.

Unlock the benefits of being a part of an exclusive restaurant and vendor lineup, taking the guesswork out of lunchtime choices.

## Restaurant-Friendly Options

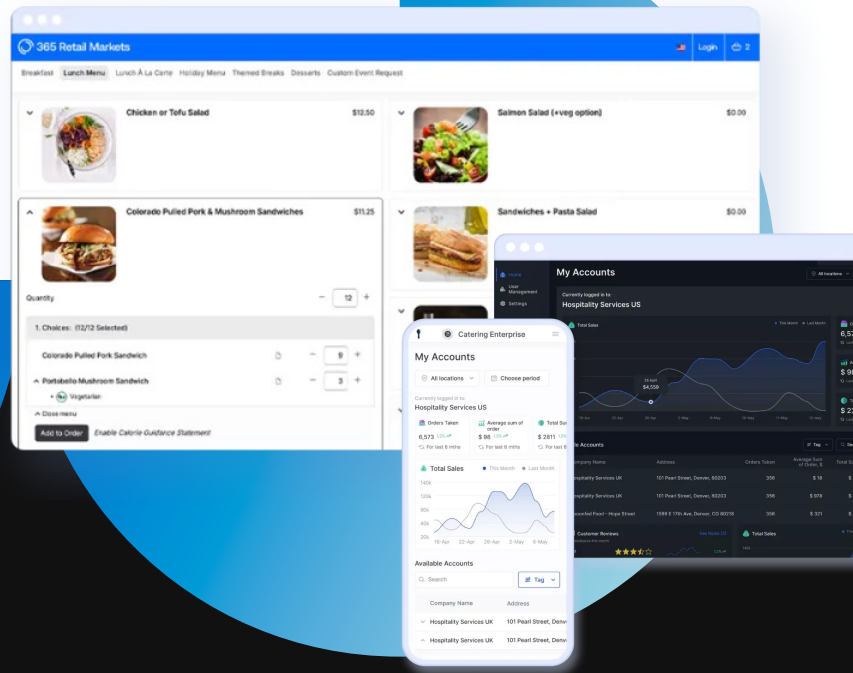

Don't get caught up with excessive fees or impossible order minimums. Take control of your catering with customizable options.

Tailor menus and pricing to outshine other restaurants in the delivery service landscape. Expect a dependable flow of orders with precise times during your featured days and lunchtime slots.

## Enable Easy Ordering

Let workplaces and offices order with ease. With 365 Catering, customers can easily place online orders from your customized menu.

365 Catering portal simplifies the fulfilment process, ensuring a straightforward and delightful experience for both you and your customers.

Provide catering services with ease
