

# Welcome to a better break room with micro markets

A self-serve breakroom solution offering a customizable variety of fresh, healthy options for you and your team. Fridges, freezers, and shelves are stocked with everything from ready-made meals to fresh fruits and salads—your micro market has it all.

## How it works

**Scan your product** - Utilize our state-of-the-art touchscreen kiosk, or select it from our comprehensive catalog.

**Pay for your product** - Cash, credit, mobile pay, or even fingerprint - get the items you love the way you want them.

**Enjoy!** - Whether you're stopping for a quick snack or a fulfilling lunch, our micro market solution will transform your breakroom into a space your employees will love.

## Customizeable layouts

No matter the size of your team or the space you have, we'll provide a tailored layout that works seamlessly for your location.

## Safe and secure

Your micro market is fitted with security cameras that help us ensure proper micro market usage and maintain a safe and secure breakroom
