

High-tech coolers unlocking new opportunities

Secure coolers for semi-public spaces

Secured cooler

Provide your consumers payment ease by having them use a variety of payment options: Mobile Wallets like Google Pay or Apple Pay, Debit/Credit Card via Swipe/Insert/Tap or using the 365Pay App.

Refreshing snacks

Consumers enjoy fresh, cold food and beverage options that make it healthy and available on-the-go.

Scan-Pay-Go

Once items are selected, consumers simply scan the items and select checkout on the PicoCooler touchscreen.

The PicoCooler provides you with the opportunity to grow into semi-public areas, add a controlled cooler to your new and existing locations or complete your Connected CampusSM with a modern cooler technology.
