

# Helping you pay more conveniently than ever

Our versatile cashless devices help you select a product, pay, and enjoy with unmatched convenience.

## Diverse payment options

Pay your way. Use credit, debit, mobile wallets like Apple Pay and Google Pay, or the 365Pay app to checkout with ease.

## Effortless transactions

Simply swipe, tap, or dip for a smooth buying experience.

## Reliable hardware

Our devices ensure uninterrupted sales and minimal downtime with robust 4G, EMV compliant hardware.

## Rewards

By using the 365Pay app, you can build rewards with each transaction, send a snack to colleagues, and review purchase history - all in one convenient place.

## A connected experience

PayPlus is compatible with vending machines, micro markets, smart stores, and more. Enjoy a seamless experience and build rewards across multiple points of sale.

Pay your way.
