

Frozen favorites. Anytime, anywhere

Give your residents, employees, or visitors the cool convenience they crave with the PicoFreezer Vision.

The PicoFreezer Vision is more than just a freezer; it's a premium amenity that enhances the appeal of your facility. Offer a secure, hassle-free way for users to grab frozen treats, microwavable lunches, or even take-and-bake meals, 24/7, adding unparalleled convenience to their day.

Enhanced convenience, happy users

Offer round-the-clock access to a variety of frozen foods, providing a highly valued amenity that boosts satisfaction.

Secure & smart access

Users unlock with their chosen payment method, ensuring a secure transaction and peace of mind for your facility. With no product scanning required, you'll see the benefit of quick grab-and-go fulfillment.

Reduced management burden

The system handles sales and inventory tracking, giving your operator the data they need to keep your units stocked and consumers happy.

Versatile product options

Transition from outdated vending models to a flexible, smart, and profitable solution that caters to modern consumer demands.

Diverse payment options

Provide ultimate convenience with multiple payment methods, including the 365Pay app, mobile wallets, and traditional credit/debit cards, ensuring ease of purchase for all users.

A game-changer for your location.
