

HOW TO REGISTER YOUR FINGERPRINT

1

Press [Account Login](#)

2

Press [Kiosk User Login](#). Login using your [Scan ID](#), [Fingerprint](#), [Email](#) or [QR Code](#).

3

Press [Manage Account](#). Then press [Fingerprint Touch to Setup](#).

4

Scroll through biometric policy, clicking the toggle to accept, select 'Confirm' to continue.

*If you do not accept the biometric policy, you will be unable to store a fingerprint under your account.

5

Complete scanning - place finger on fingerprint scanner (4 scans required)

6

When prompted 'Thank You! Your fingerprint has been added successfully', press **X**. Once back into your account main screen press [Logout](#).
