

# Internal: AirVend and 365 Inside Order

---

## Purpose

The purpose of this document is to clarify AirVend and 365 Inside Order Processing.

## Process

- AirVend and 365Inside devices will be entered in Sage as one-line item with the associated quantity.
- After processing a Sales Order, send an email to AVOnboarding with the Sales Order number. This way they can confirm if the customer has a contract and login to AVLive with 365.
