

## MICROMARKETS VS. VENDING WHY SHOULD YOU MAKE THE SWITCH?

*Increase gross sales as much as 4X from vending!*

*Increase profitability as much as 300% from vending!*

**A MicroMarket is a 24/7/365** unmanned, self-checkout convenience store mostly found in officebreakrooms. They offer a variety of fresh food, beverage and snack options in an open and inviting environment.

**Your customers will love** how easy it is for them to shop from the variety of products and use the intuitive self-checkout kiosk that is used by 1,000s of locations around the world everyday.

### MICROMARKETS

VS

### VENDING

- 😊 Modern breakroom design
- 😊 Accepts cashless payments
- 😊 Fresh food 24/7/365
- 😊 Variety of food options at your fingertips
- 😊 & more!

- 😞 Clunky machines
- 😞 Products get stuck in the machine
- 😞 Unhealthy snacks
- 😞 Less options

**MICROMARKETS  
ARE EXPECTED  
TO GENERATE \$1.6  
BILLION IN THE NEXT  
10 YEARS!**
