

ADM How to Add a Home Commercial

Introduction

The Home Commercial is the ad or image that displays on the Home screen in the Self-Service mode. The image size 1024w x 520h pixels.

Add a New Image

1. Upload the image to your computer and save it as .jpeg or .png file.
2. Click the **Location** tab in ADM. Scroll to the bottom of the page.
3. Click the **Home Commercial** tab.
4. Select the **blue** button.
5. Click **Upload New**.
6. Click **Upload new Image**.

7. Go to the **Image** folder and choose the new image.
8. Add the **name for the Home Commercial**. This will be the name of the image (for your use).
9. Click **Save**.

Remove an Image

1. Choose the **Home Commercial**.
2. Click on the **button text** or **name**.
3. Select **Remove**.
