

365 Connected CampusSM

An array of technology solutions to meet all your needs

The 365 Connected CampusSM provides foodservice operators with an innovative, connected portfolio of products to satisfy clients of all sizes.

The platform seamlessly connects micro market, OCS, vending and dining products with one Global Market Account (GMA) to create the first fully-integrated consumer experience in the workplace.

One Mobile App. One Account. Multiple Solutions.

Increase revenue opportunities by taking full advantage of the entire 365 Ecosystem.
