

# Grow Your Micro Market Business in New Ways

## Auxiliary Kiosk by Avanti Markets

Flexibility to expand your Micro Market footprint

Compact kiosk with our familiar AMS interface. Adaptable to your space; mount on walls, place on countertops, or freestanding.

- Deploy smaller markets with this lower cost option
- Campus with another kiosk for overflow sales
- Custom wrap to highlight your brand
- Connect via ethernet cable or optional 4G modem
- Accept credit/debit card, mobile wallet, and member account payments

### Multiple configurations to meet your needs

- Table top base that can attach to countertop
- Wall mount option saves counterspace
- Optional floor stand for freestanding kiosk

## Touchless Transactions

### Scan to Pay

Scan account barcode using market card or mobile app

### Tap to Pay

Tap using Mobile Pay-capable device or payment card

### Swipe/Insert to Pay

Insert or Swipe any major credit or debit card
