

## Welcome to Avanti Markets!

Dear Employees,

We are excited to bring you a new employee benefit to our work environment that provides you with exceptional food and beverage services! Avanti Markets will be your new convenient micro market that will provide you with an almost limitless selection of fresh food meal options, snacks and a variety of beverage choices!

We hope to support your work-life balance with the convenience of an Avanti Market in our workplace. You will find this market to be reasonably priced, simple to use, convenient for everyone and completely customizable to your personal needs. If you want something in your market they can most likely provide it!
