

Using Your Avanti Markets Member Account

using the Mobile App

1 Download

Download the Avanti Markets app from the App Store (iOS) or Google Play Store (Android).

2 Register

or login to account

From the mobile app welcome page, you can register by clicking "Join Now" and following the steps to register a new account - or login with an existing Avanti Markets Member Account.

3 Add Value

Use a credit/debit card to add value to your market account using the RELOAD tab.

4 Manage

My Account

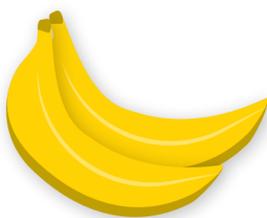

Edit your personal information or change your password.

History

View your account purchase history and details.

5 Shop & Pay

Shop the market and pay for your items at the kiosk.

at the Kiosk

1 Register

Scan a new Market Card* at your kiosk and follow the on-screen instructions for registering a new account.

*You can find new market cards near your kiosk. If there are none nearby, please contact your local operator or Avanti Markets customer support can help connect you.

2 Add Value

Add value to your market account with a credit or debit card, or use cash. Check with you HR representative to see if payroll deduct is available at your location.

3 Fingerprint

Pay-by-Fingerprint (Optional)

The ultimate convenience! You have the option to register your fingerprint at the kiosk and link it to your account. Use your fingerprint to pay or to manage your account.

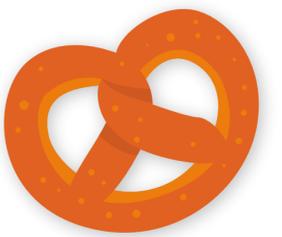

4 Manage

Use your physical market card, use the barcode on your mobile app, or scan your fingerprint (if enrolled) to access your market account.

Add funds & keep track of your progress on active promotions at your market. (eg: Buy 4, Get 5th Free)

5 Shop & Pay

Shop the market and pay for your items at the kiosk.

How to Pay

When you're ready to check out, there are a few options to pay for your items at the Kiosk.

Market Member Account

- Scan market card
- Scan Mobile App barcode
- Thumbprint scanner

Credit or Debit

- Pay balance with a major credit or debit card

Account Access

Manage your account from anywhere, at anytime.

Market Member Account
